Have you given swom testimony under oath at a 17 18 deposition proceeding before? 19 A. Yes. 20 Q. Page 4 (The reporter read back the last answer.) BY MR. SPADARO: Q. Do I understand from your answer that you're indicating that in the business in which you operate Nationwide acts as a principal and you act as Nationwide's agent? A. The term principal I use to describe myself as an agency, I'm the agency principal. Q. The principal of the business? A. Correct. Q. Maybe I should ask. What is your relationship to the Glenn Deaton Agency Incorporated? 12 A. I'm the president of the corporation and the 14 primary agent-producer. Q. And what do you mean by "agent-producer"? A. I am responsible for the sale of the products 17 in the office and also have other licensed staff, but 18 I am the primary producer of sales, salesperson, if 19 you will. Q. What does -- if I refer to the Glenn Deaton 21 Agency Incorporated as Deaton or the Deaton Agency, 22 will you know what I mean? A. Yes. 24 Q. What, if anything, does the Deaton Agency sell? Page 5 A. We sell a variety of property, casualty and life and health, financial service products, including

- 1 Q. And will you agree that if any question I ask
- 2 is unclear to you or if you feel that it needs
- 3 rephrasing or repetition, you will ask me to clarify
- 4 or repeat the question?
- 5 A. Yes, I will.
- 6 Q. And if you need to take a break, let me know
- 7 that. I'm going to try to move quickly enough so that
- 8 we don't need any breaks during your testimony, but
- 9 that doesn't mean you're not entitled to take one if
- 10 you want to. Okay?
- 11 A. Okay.
- 12 Q. Are you represented by any attorney at this
- 13 deposition?
- 14 A. I am.
- 15 Q. Is Mr. Leoni representing you today?
- 16 A. Yes, he is.
- 17 Q. And are you a representative of the Glenn
- 18 Deaton Agency Incorporated?
- 19 A. I am.
- 20 Q. What is the Glenn Deaton Agency Incorporated?
- 21 A. I'm an independent contractor, agent, principal
- 22 for Nationwide Insurance Company.
- 23 MR. SPADARO: Could you read that back,
- 24 Kurt?

- 3 automobile, homeowner, commercial property liability,
- 4 worker's compensation, life insurance and some mutual
- funds and variable products as well.
- 6 Q. The products that you listed are all Insurance
- 7 products, are they not?
- 8 A. Correct.
- 9 Q. And does the Deaton Agency sell Nationwide
- 10 Insurance products to consumers?
- 11 A. Yes.
- 12 Q. And ask the Deaton Agency self exclusively
- 13 Nationwide Insurance products to Delaware consumers?
- 14 A. I am a captive, exclusive agent of Nationwide.
- 15 I do have opportunities to sell products outside of
- 16 that arrangement, but primarily Nationwide products.
- 17 Q. Are you able to estimate roughly the percentage
- 18 of Nationwide Insurance products that you sell
- 19 compared to the insurance products of other insurance
- 20 companies?
- 21 A. Nationwide sales represents I would say 90 to
- 22 95 percent of our overall sales.
- 23 Q. What do you mean when you are referring to the
- 24 Deaton Agency as captive?

v. C.A. # 04-CV-1324 KAJ Nationwide Mutual Insurance Company August 9, 2005

Page 6

1 A. I have a contract to sell Nationwide's products

2 exclusively. I'm required to sell Nationwide's

3 products. I'm not allowed to broker or go outside of

4 that agreement for market. In other words, if

5 Nationwide offers that product for sale, I'm going to

6 self their product.

7

If I have occasion to sell a product that

8 Nationwide is not interested in that market, I'm

9 allowed to place that through another carrier.

10 Q. So you're allowed to sell other insurance

11 companies' products so long as they don't compete in

12 this market with products that Nationwide is selling?

13 A. Correct.

14 Q, I hope you understand what I meant. When I

15 said, "this market," I meant Delaware. And I think

16 you understood my question that way?

17 A. Correct. That's the only state that I am

18 licensed to transact.

19 Q. And you do hold a professional license?

20 A. Yes, I do.

21 Q. Could you identify it for me?

22 A. I have a license through the Delaware Insurance

23 Commissioner's office, an agency's license to sell all

24 of the products that I mentioned, property, casualty,

Page 8
A. Yes, It does.

Q. If you turn to the fourth page of the document,

3 do you see there an appendix that purports to set

4 forth a description of the documents being subpoenaed

5 and the topics for your testimony today?

6 A. Yes.

7

Q. And on the next page do you see the heading

8 Matters for Examination?

9 A. Yes.

10 Q. And you understand that under that heading is

11 set forth the three subject areas which I'll be asking

12 questions about today?

13 A. Yes.

14 Q. And have you had a chance to review those

15 subject areas before today's deposition?

16 A. I have,

17 Q. Are you prepared to answer questions relating

18 to those three subject areas?

19 A. I am.

20 Q. Thank you.

21 How many employees does the Deaton Agency

22 have, sir?

23

4

A. Including myself, five.

24 Q. Let me ask you a little bit more about your

Page 7

1 life, health, bonding and variable annuities as well.

2 Q. You understand, do you not, that you've been

3 designated by the Deaton Agency to testify on its

4 behalf at this deposition?

5 **A. Yes.** 

7

6 Q. Do you freely accept that designation?

A. Yes, I do.

8 MR. SPADARO: Let me ask the court

9 reporter to mark as Exhibit 1 to your deposition a set

10 of documents that purports to be a copy of a letter

11 signed on my behalf by another attorney in my firm,

12 Mr. Brockstedt, dated March 24, 2005 and addressed for

13 hand delivery to the Gienn Deaton Agency Incorporated,

14 attached to which is a copy of the subpoena that we

15 served on the Glenn Deaton Agency in this case.

16 (Deaton Deposition Exhibit No. 1 was

17 marked for (dentification.)

18 BY MR. SPADARO:

19 Q. Have you had an opportunity to examine the

20 document that's been marked as Deaton Exhibit 1?

21 A. Yes, I have.

22 Q. Have you seen this document before, Mr. Deaton?

23 A. Yes.

24 Q. Does it appear to be what I have described?

Page 9

2 Nationwide, if I could. Okay?

3 Does the Deaton Agency lease equipment

relationship, the agency's relationship with

from Nationwide?

5 A. Could you be more specific about equipment?

6 Q. Well, is there office equipment that you use in

7 your business operations like computers, telephones

8 and that sort of thing?

9 A. All of the office equipment belongs to my

10 business. It's not property of Nationwide Insurance,

11 desks, chairs, filing cabinets.

12 Computer equipment specifically for many

13 years was the property of Nationwide Insurance and we

14 were required by contract to lease their hardware and

15 use their software. A few years ago they decided to

6 get out of the hardware business. And basically the

agents now own the hardware, but we are under contract

18 to use their software and their pipeline, if you will,

19 the company intranet and the software and all the

20 products of running the software and the computer is

21 provided by Nationwide, but the computer is owned by

22 the agency.

23 Q. When you say that the software is owned by

24 Nationwide, does that include what might be called

LEONI: John, I'm just going to ask 5 A. Yes, we do. 6 Q. If I understand correctly, is it correct to say 6 that you make sure that if he doesn't understand it in that your e-mails are sent and received on the context that you're asking that you explain that Nationwide's file server? because we have to make sure he understands it in the R 9 A. That's correct. 9 context that you're using it. 10 MR. SPADARO: Sure. 10 Q. How is the Deaton Agency compensated for its 11 BY MR. SPADARO: 11 role in selling Nationwide Insurance products in Q. We have agreed if you have any questions about 12 Delaware? 12 A. We're compensated strictly through commissions my questions you will ask me, right? 13 14 on products that we sell. We have no other source of 14 A. Certainly. income other than commission based on the sales. 15 15 Q. I'm not trying to give you an insurance 101 16 Q. When a premium is obtained from a consumer in 16 quiz. But just for the record can you give me your 17 connection with the sale of a Nationwide Insurance 17 understanding of what limits of liability means as an product through the Deaton Agency, do you begin by insurance term? 18 16 19 transferring the premium to Nationwide? 19 A. Sure. Limits of liability would be the amount 20 A. Yes. Any premium received by our office is in provided by the contract, a maximum amount based on a 21 a fiduciary capacity, is placed in a fiduciary 21 per person limit or a per occurrence limit, but limit 22 account, a premium-bearing account only and is of liability would be the maximum amount payable by 22 remitted to Nationwide. And I receive my commission 23 the company for a claim, a covered claim. after they have processed their transactions on a Q. And that amount is a dollar amount?

Page 11

#### biweekly basis.

- Q. So Nationwide collects premiums and then pays
- 3 to you commissions based on how much premium was
- 4 collected?

1

- 5 A. Right.
- 6 Q. How are employees' salaries paid? Are they
- 7 paid directly by the Deaton Agency?
- 8 A. Yes. The employees are employees of myself and
- 9 are paid directly by me.
- 10 Q. How long have you been the president of the
- 11 Deaton Agency?
- 12 A. I started with Nationwide in the fall of 1989.
- 13 Fifteen, sixteen years.
- 14 Q. Now, Mr. Deaton, we're going to be referring to
- 45 a particular type of coverage within the automobile
- 16 insurance product known as personal injury protection.
- 17 Are you familiar with that term?
- 18 A. I am.
- 19 Q. And if I call it personal injury protection,
- 20 you'll know what I mean?
- 21 A. Yes.
- 22 Q. If I call it PIP, you will know what I mean?
- 23 A. Yes.
- 24 Q. I may make reference to limits of liability for

#### A. Correct.

- 2 Q. So it's expressed in numbers, is expressed in
- 3 dollars?

1

- 4 A. It's expressed in dollars, yes.
- 5 Q. Are you able to give me a step-by-step
- 6 description -- I could break it down if you want me
- 7 to, but maybe it's faster not to. It's your
- 8 preference.
- 9 If I ask you to give me a step-by-step
- 10 description of the process by which an ordinary
- 11 Delaware consumer in your neighborhood comes in and
- 12 purchases a Nationwide auto policy, could you do that
- 13 for me?
- 14 A. Yes, I could.
- 15 Q. Okay. Would you, please?
- 16 A. Sure. Once a quote is given -- generally, the
- 17 process starts by an individual requesting a quote for
- 18 what the coverage would be.

#### We would --

- 20 Q. I'm sorry. I don't mean to interject. Along
- 21 the way I may ask you to clarify a term here or there.
- 22 A. Sure.

19

- 23 Q. By "quote" you're referring to the consumers
- 24 asking how much will it cost me to buy auto insurance?

A. They would like a price quotation for the cost of coverage.

We would gather the required information that is needed to prepare a quote, certain personal information about the type of vehicle, driving record, information about the driver and so forth. Once the quote is prepared and given and accepted, the application process would start where we would basically complete the Nationwide application on the computer, generate an application, going through the various information as needed about drivers and so 11 12 forth, the vehicle and coverages.

At that point we would interview with the client or with the applicant explaining and requesting If they have specific limitations, limits of liability that they would like to compare with, if they have a current contract. If they do not have current coverage, we would explain to them what's required by law and then show them the option limits that are available.

Upon completion of the application it 21 22 would be printed out and any trailing documents that were required to be signed -- a trailing document would be a document in addition to the application 24

Page 16

Page 17

- with a receipt. The application would be released or
- sent to Nationwide by the computer. We would set up a
- new file retaining the documents in our file. No
- paper really transactions go to Nationwide. It's done
- electronically and we retain the original application
- and any trailing documents in our file. Premiums are
- collected by our firm, by our agency, are deposited in
- a local bank, are remitted on Nationwide's remittance
- program. And they will then a couple of business days

later they will electronically draft those funds from 11 the fiduciary account.

12 At that point the policy is processed and 13 generated directly by Nationwide from their service 14 center and sent out to the insured.

15 We tell every applicant that they will receive their policy package directly from Nationwide 16 17 with I.D. cards and the policy packet itself; when it's received to please give us a call if they have 18 any questions, to review if there's anything there 19 20 that they're not sure of. And we would set up our file from there and that's basically, that's the basic 21 22 transaction process.

- 23 Q. Okay. Let me ask you about the point at which
- 24 the premium has been collected and a binder or

Page 15

- itself. The form A is considered a trailing document.
- A vehicle inspection form, if a vehicle may be 2
- 3 customized or aftered or have existing damage we are
- required to view the vehicle and potentially have a
- document, a trailing document as an inspection report. 5
- 6 A child's or student's report card that would be in
- 7 line for a discount, a defensive driving class, any
- 8 supplemental document that would affect the rate
- provided or the coverage provided, we would be
- 10 required to obtain those, signatures on the
- 11 application and any trailing documents would be
- 12

13 We would review what coverages are elected 14 and rejected by the applicant.

- 15 O. When all of that was completed what would
- 16 happen?
- 17 A. The premium would be collected based on the
- applicant's choice of pay plan. There are a variety
- 19 of different pay plan options available. We would
- 20 collect the appropriate premium, provide a receipt.
- 21 And we would at that point provide a binder or
- 22 memorandum of insurance, some proof that the
- 23 application process had been completed.
- 24 We would provide that to the applicant

1 memorandum of insurance or other proof of insurance

- 2 has been provided to the consumer. Okay?
- 3 A. (The witness nodded.)
  - Are you with me?
  - A. Yes.

4

5

- Q. Have I so far characterized that part of your 6
- 7 testimony correctly?
- 8 A. Yes,
- 9 Q. At that point is the consumer insured for
- 10 automobile insurance by Nationwide?
- 11 A. Yes.
- 12 Q. So it's your understanding at that point an
- 13 insurance contract exists?
- 14 A. Yes.
- 15 Q. How long after that point -- well, at that
- 16 point the consumer presumably goes, leaves your office
- 17 and goes home carrying the auto memorandum of
- 18 insurance or binder or other proof of insurance,
- 19 right?

20

- A. Correct.
- 21 MR. CHEYNEY: Objection.
- 22 Q. How much time typically passes, if you can tell
- 23 me, between that event and the consumer's receipt of
- 24 policy documents generated from Nationwide's service

1 center?

- A. Generally, one week, approximately a week's
- 3 time to process and have that sent out in the mail to
- 4 them.
- 5 Q. Have you known it to take less than a week?
- 6 A. Yes.
- 7 Q.: Have you known it to take more than a week?
- 8 A. Yes.
- 9 O. On the far end of the scale, how long does it
- 10 take when it takes longer than a week?
- 11 A. Only an additional day or two, maybe ten days
- 12 maximum.
- 13 O. And if the insured vehicle is involved in an
- 14 automobile collision during that one week to ten-day
- 15 Interim, it's your understanding that Nationwide
- 16 insures that event?
- 17 MR. CHEYNEY: Objection.
- 18 A. Correct.
- 19 Q. Where is the Nationwide service center? Do you
- 20 know?
- 21 A. It is in Gainesville, Florida for the bulk of
- 22 the automobile policies that we issue. They're
- 23 generated from the Gainesville, Florida service
- 24 center.

1

Page 20

- 1 process. Many times we would not print or screen
- 2 print, if you will, the quote to show them if they
- 3 brought their policy with them and they would like to
- 4 compare, we would print off a document like that which
- 5 would be just a screen print. But there is a formal
- 6 quote letter that can be generated if it's requested.
- 7 Q. Whether the document is generated hard copy or
- 8 not, is it often the case that the consumers are
- 9 allowed to see the quote in writing while they're in
- 10 your office?
- 11 A. Yes.
- 12 Q. Are there any other documents that as part of
- 13 this process the consumers either see visually or are
- 14 allowed to take with them?
- 15 A. Yes.
- 16 Q. I think you mentioned the memorandum of
- 17 insurance or binder or other proof of insurance.
- 18 A. Correct.
- 19 Q. That's one category of documents that is given
- 20 to the consumer, right?
- 21 A. Correct. They are offered a copy of the
- 22 physical application as well and the Delaware Form A
- 23 Delaware Protection Act document.
- 24 Q. I think you referred earlier to options that

Page 19

- Q. Are there other Nationwide service centers that 1 the consumer has with respect to the limits of
- 2 address other regions of the country?
- A. Yes.
- Q. Thank you.
- 5 This process you've described very
- 6 patiently for me, which I appreciate, this step-by-
- 7 step process by which the consumer purchases the auto
- 8 insurance from Nationwide, as part of that process are
- 9 documents shared with the consumer at any stage?
- 10 A. Documents, yes.
- 11 Q. For example, is the price quote that you
- 12 started your description with a written price quote?
- 13 A. Yes.
- 14 Q. And that's a document that's shared with the
- 15 consumer and he can take home with him?
- 16 A. We do have a formal quote letter when someone
- 17 asks for a quote that we can provide a user friendly
- 18 quote letter. Generally, that's not sent out on a
- 19 telephone quote or if someone comes into the office
- 20 and I provide the quote on the computer and share with
- 21 them the information on the monitor and they say yes,
- 22 I would like to purchase that coverage, generally that
- 23 quote letter is not printed out.
- 24 We would go directly into the application

- Page 21 the consumer has with respect to the limits of
- 2 liability that they can purchase for different
- 3 coverages.

5

8

10

12

13

18

- 4 Do you recall that?
  - A. Correct.
- 6 Q. And I'm going to limit my questions to
- 7 automobile insurance. All right?
  - A. Mm-hmm.
- 9 Q. There are --
  - MR. LEONI: You have to answer actually
- 11 verbally yes or no.
  - THE WITNESS: Yes.
    - MR. SPADARO: Thank you, Mr. Leoni.
- 14 BY MR. SPADARO:
- 15 Q. There are different dollar amounts in limits of
- 16 liability that consumers are able to purchase within
- 17 different coverages, right?
  - A. Correct.
- 19 Q. It's your understanding that with respect to
- 20 PIP coverage there's a minimum amount that's mandated
- 21 by statute. Is that right?
- 22 A. That's right.
- 23 Q. And the minimum statutory limits of liability
- 24 for PIP coverage according to your understanding are

6 (Pages 18 to 21)

Page 22 Page 24 policies? \$15,000 per person/\$30,000 per accident. Is that 1 1 2 MR. SPADARO: Yes. 2 right? BY MR. SPADARO: 3 3 A. Correct. 4 Q. But consumers are able to purchase more than Q. I've said that I'm only referring to the defendant Nationwide Mutual Insurance Company and I 5 that, aren't they? have clarified all of my questions relate to 6 A. Yes. 7 7 automobile insurance. So that's a given with every Q. What is the full amount of limits of liability question I ask unless I specify otherwise. I'm not 8 available from Nationwide today for PIP coverage? going to ask you about products other than auto at 9 MR. CHEYNEY: Objection. 10 this point. 10 MR. LEONI: Do you know what? So far we 11 have been talking generically, but actually the notice Do you understand my question? 11 12 12 of deposition refers only to Nationwide Mutual A. I understand your question. But my response 13 would be particularly regarding Nationwide Mutual, the Insurance Company. So I'm assuming, and maybe company one, that Nationwide Mutual -- we're not wrongfully so, your questions are limited to 14 15 Nationwide Mutual. 15 talking about the non-standard. We're talking about 16 generally -- all right. 16 MR. SPADARO: Yes. All my questions are 17 Q. I'm only asking about the defendant in this 17 limited to the defendant in this case, Nationwide 18 Mutual -- let me make sure I get the name right --18 case, Nationwide Mutual Insurance Company. 19 A. Yes. I understand your question. 19 Nationwide Mutual Insurance Company. 20 MR, LEONI: Just to be clear for the BY MR. SPADARO: 20 21 Q. Do you understand that, sir? 21 witness because he seems to be having a little 22 trouble --22 A. Yes. 23 MR. SPADARO: If you have an objection to 23 Q. Do all of your responses so far relate to Nationwide Mutual Insurance Company? 24 form, we're in the District Court, if you have an

Page 23

objection to the form, you can object to form. I'll

2 clarify.

3 BY MR. SPADARO:

4 Q. You understand I'm trying to figure out how

often people purchase the minimum limits? Do you

6 understand my question?

7 A. Yes, I do.

8 Q. If you can ballpark that for me in percentage

9 terms, that would be helpful.

10 A. Under Nationwide Mutual Insurance Company

11 policies that we issue I would say only 25 percent or

12 less purchase the minimum PIP coverage.

13 Q. Okay, Thank you. That's very helpful.

14 Now, in response to our subpoena it's your

15 understanding that the Deaton Agency produced certain

16 documents to us?

A. That's correct.

Q. And is it your understanding that we reached a

compromise by which the parties agreed that the Deaton

Agency would produce policy-related documents for just

21 35 policyholders?

22 A. Yes.

23 Q. And just for the record, over the course of the

24 time period embraced by this lawsuit the agency has

A. Yes.

1

7

8

2 Q. So let me ask you again: Can you tell me the

3 full amount of PIP limits of liability that are

4 available for purchase from Nationwide today in

5 Delaware?

MR. CHEYNEY: Objection. 6

A. The maximum limits for PIP available is

\$100,000 per person/\$300,000 per accident.

9 Q. Do you have a sense of in percentage terms of

10 the percentage of auto policies that the Deaton Agency

is involved in selling on Nationwide's behalf for

which Delaware consumers in a typical year purchase 12

13 the minimum limits of \$15,000 per person/\$30,000 per

14 accident?

15 MR. LEONI: Hold on a second. Can I hear

16 that back?

17 Could you read it back, Kurt?

18 THE WITNESS: Because he --

19 MR. LEONI: Hold on. He's going to read

20 the question back to make sure we understand it.

21 (The reporter read back the last

22 question.)

23 MR. LEONI: Again, we're referring only to

- 1 sold many more than 35 insurance policies, auto
- 2 insurance policies, that is, on behalf of Nationwide?
- 3 A. Yes.
- 4 Q. But this was a compromise we reached to reduce
- 5 the burden and expense of responding to the subpoena.
- 5 Do you understand that?
- 7 A. Yes.
- 8 Q. I want to mark as Exhibit 2 to your deposition
- 9 a set, a single set of these policy-related documents
- 10 that were produced by the Deaton Agency as part of
- 11 this compromise.
  - Do you understand what I have represented?
- 13 A. Yes.

12

- 14 Q. And it's your understanding, is it not, that
- 15 the Deaton Agency's attorneys, Mr. Leoni and his
- 16 office, have blacked out or redacted certain
- 17 Identifying information that might otherwise have
- 18 identified the policyholders under these policies?
- 19 A. Yes.
- 20 Q. And it's your understanding that the attorneys
- 21 for the Deaton Agency have numbered the sets that were
- 22 produced to us with one- or two-digit numbers?
- 23 A. Yes.
- 24 MR. SPADARO: Let me start by marking as

Page 28

- Page number 2 begins with detail about the
- vehicle to be insured itself, including the make,
- 3 model, year, vehicle identification number and
- 4 ownership. The second area of the second page of the
- 5 document provides the coverage that's been selected.
- 6 The liability, physical damage, uninsured motorist and
- 7 PIP coverage are detailed there. Any discounts are
- 8 listed there on the bottom of that second page.
  - Page 3 provides ratings variables,
- 10 including the work or work commute, annual mileage and
- 11 any surcharges for rate class that might be
- 12 applicable.
- 13 Q. If I could just interject for a moment. By
- 14 rating variables are we referring to underwriting
- 15 factors that might result in a determination of the
- 16 premium to be charged?
- 17 A. Correct.
- 18 Q. Thank you.
- 19 A. Below that on the third page is some general
- 20 information specific to the place of the domicile of
- 21 the applicant, where they live, and payment
- 22 information is also included on page 3.
  - The fourth page is a closing statement that provides information on how Nationwide will

- 1 Exhibit 2 to your deposition set number 63 from the
- 2 Deaton production.
- 3 (Deaton Deposition Exhibit No. 2 was
- 4 marked for identification.)
- 5 BY MR. SPADARO:
- 6 Q. Just review that, if you would, to your
- 7 satisfaction. Let me know when you feel comfortable
- 8 answering some questions about it.
- 9 A. (Reviewing document) Okay.
- 10 O. Does this appear to be a copy of the documents
- 11 from set 63 of the Deaton production?
- 12 A. Yes.
- 13 Q. I'm going to ask you if you can try to describe
- 14 the approximately seven pages that are part of Exhibit
- 15 2 for me in a little more detail,
- 16 A. Okay.
- 17 O. Thank you.
- 18 A. Page 1 -- the document is a standard automobile
- 19 insurance application through Nationwide Mutual. The
- 20 first page of the document provides basic declaration
- 21 type information about the name of the insured, date
- 22 of the application and basic demographic information
- 23 about the insured, license, date of birth, social,
- 24 address and so forth.

Page 29 handle the application regarding misrepresentations

- 2 and acknowledgment of coverage and accepting of the
- 3 risk.

23

- 4 The fifth page includes statements that
- 5 are asked to be initialed in total by the insured
- 6 regarding their use and ownership and declaration of
- 7 any drivers in the household or have regular use of
- 8 that vehicle and any forbidden uses of the vehicle
- 9 under the personal auto policy, including delivery of
- 10 pizza and you will see there in the one builet the
- 11 newspapers or taxicab-type things are prohibited. We
- 12 ask that they acknowledge that there.
- 13 And the final part on page 5 is the
- 14 signature place where the applicant and the producing
- 15 agent would sign and date and time the application.
- 16 Q. So those first five pages are bear with me
- 17 for a second.
- 18 Those first five pages are the application
- 19 themselves?
- 20 A. Those pages are the application, yes.
- 21 Q. And the remaining two pages of Deaton Exhibit 2
- 22 are not what you would describe as part of the
- 23 application?
- 24 A. Correct.

Page 30

- Q. But they are part of the larger process of
- 2 placing insurance?
- 3 A. Correct.
- Q. I'm sorry I interrupted you. Thank you.
- 5 A. The sixth page is the Delaware Motorists'
- 6 Protection Act, a form that's used to acknowledge and
- 7 where the applicant would select and verify or reject
- 8 any coverage options that they would like, The
- 9 minimum limits are displayed on this form that are
- 10 required by Delaware law, along with other optional
- 11 coverages for physical damage, including
- 12 comprehensive, collision, uninsured motorist, loss of
- 13 use. This is the form that we have the insured sign
- 14 that spells out the requirements and also the options
- 15 that are provided under the Delaware policies.
- 16 The final page is a copy of the screen
- 17 print that I mentioned. This would be a document that
- 18 I would share with an insured that would come in the
- 19 office if we were comparing different quotes. This is
- 20 simply a screen print of our quote process off the
- 21 computer.
- 22 Q. That final page that you've indicated is shared
- 23 with the consumer is titled Auto Rate Quote Number 1?
- 24 A. Correct.

1

Page 32

Page 33

- 1 left-hand column that says Comprehensive, right?
- 2 A. Correct.
- 3 Q. And what does that information up to that point
- indicate?
- 5 A. That entry relates to the deductible that would
- 6 be applied to that line of coverage. \$250 would be
- 7 the deductible applicable to the comprehensive line of
- 8 coverage.

11

- 9 Q. Very briefly, what does comprehensive coverage
- 10 entail in an auto insurance policy?
  - A. Comprehensive coverage provides coverage for
- 12 damage to the insured vehicle that is not collision
- 13 related and would include glass breakage, vandalism,
- 14 theft, fire, flood. Collision with an animal would be
- 15 one comprehensive coverage where a collision would
- 16 take place with an animal, but it's damage to the
- 17 vehicle that's generally not collision related,
- 18 Q. So it appears that it's contemplated for this
- 19 particular insurance contract that there will be a
- 20 deductible for comprehensive coverage of \$250, right?
- 21 A. Correct.
- 22 Q. And that deductible is expressed in a dollar
- 23 amount?
- 24 A. Yes.

Page 31

- Q. Let me ask you to turn, if you would, to the
- 2 second page of Deaton Exhibit 2, please.
- 3 I'm going to direct your attention to the
- 4 entries in the middle of the page under the Heading
- 5 Vehicle Level Coverages.
- 6 Do you see that?
- 7 A. Yes.
- 8 Q. Now, there appear to be under that heading
- 9 three columns setting forth information. Is that fair
- 10 to say?
- 11 A. Yes.
- 12 Q. In the left-hand column we see the first entry
- 13 reads Comprehensive and underneath that Collision and
- 14 then underneath that Property Damage and so forth.
- 15 That left-hand column identifies different types of
- 16 insurance coverage within the automobile insurance
- 17 product?
- 18 A. Correct.
- 19 Q. Is that fair to say?
- 20 A. Yes.
- 21 Q. And the middle column begins with the number
- 22 250. Do you see that?
- 23 **A. Yes.**
- 24 Q. And that corresponds to the entry in the

1 Q. In the right-hand column there appear to be

- 2 dollar amounts set forth for each of the types of
- 3 coverage.
  - Do you see that?
- 5 A. Yes.

4

6

- Q. The first being \$23.20 corresponding to the
- 7 comprehensive coverage entry, right?
- 8 A. Correct.
- 9 Q. Am I correct that sets forth the premium amount
- 10 to be collected with respect to each coverage within
- 11 the automobile insurance contract?
- 12 **A. Yes.**
- 13 Q. Now let me ask you to turn, if you could, to
- 14 the last page of Deaton Exhibit 2 entitled Auto Rate
- 15 Quote Number 1 and let me know when you have that
- 16 before you, please.
- 17 A. I do.
- 18 Q. This document has a similar format, doesn't it?
- 19 A. Yes.
- 20 Q. Because we see abbreviated names for the
- 21 different types of coverage beginning with COMP for
- 22 comprehensive and then COLL for collision, then PD for
- 23 property damage and so forth, right?
- 24 A. Correct.

9 (Pages 30 to 33)

Page 34

- Q. And then in the middle column we see the dollar 1
- amount for comprehensive that indicates 250,
- signifying the \$250 deductible to be charged for that 3
- coverage, right?
- A. Correct. 5
- Q. In the right-hand column we see that 23.20
- indicating the \$23.20 premium to be collected for the
- comprehensive coverage, correct? R
- A. Correct. 9
- 10 Q. Now, there is information redacted on this
- page. So let me ask you as it appears in unredacted 11
- form, does the name of the insured appear on this 12
- 13
- A. Yes. 14
- 15 Q. And would the page in unredacted form indicate
- anywhere the vehicle to be insured? 16
- A. Yes. 17
- Q. How would it identify that vehicle? 18
- 19 A. By the year, make and model would generally
- 20 appear in the heading above the \$250 deductible where
- it's been redacted. The vehicle year and type would
- appear there. 22
- Q. And we know that the types of coverages are
- described in the document, right?

Page 36

- a brand-new vehicle on this day valued at \$20,000.
- Well, when the claim time comes a week, a month, a
- year later, the value of that vehicle would be
- determined at that time based on the actual cash value
- of the vehicle at the time.
- So that deductible is assessed as a common 6
- factor against the amount of the claim because the
- limit of liability would be relatively unknown based
- 9 on the actual cash value of the vehicle.
- Q. So the limit of liability is not expressed in 10
- 11 that column for comprehensive coverage because it's
- not a readily identifiable number at the time the 12
- 13 policy is purchased?
- A. Correct. 14
- 15 Q. Rather, it's a number to be determined later
- 16 based on the depreciating value of the property?
- A. And the amount of damage incurred, correct. 17
- Q. And the amount of damage incurred. Thank you. 18
- 19 The number 500 appears in the middle
- 20 column for the entry for collision damage. Do you see
- 21 that?
- 22 A. Yes.
- 23 Q. And what does that number express?
- A. In similar fashion, it is a deductible that 24

Page 35

- A. Correct.
- Q. And the limits of liability for the coverages are set forth, are they not? 3

1

2

- 5 Q. And the premium amount to be charged for each
- 6 Is set forth, right?
- 7 A. Yes.
- 8 Q. Turning to that middle column that begins with
- the number 250 for the deductible for comprehensive 9
- 10 coverage, that is not a dollar amount that indicates
- 11 the limit of liability for comprehensive coverage, is
- 12 #?
- 13 A. No.
- 14 Q. It indicates rather the dollar amount of the
- 15 deductible for that coverage, right?
- A. Correct. 16
- 17 Q. Why does it indicate a dollar amount for the
- 18 deductible rather than for the limit of liability?
- A. The deductible is a common factor that would be 19
- 20 charged against a claim regardless of -- the value of
- 21 the vehicle is a variable that cannot really be
- 22 contemplated at the time of application. The value or
- limit of that coverage would be contemplated at the
- time of the claim, meaning someone may have purchased

- Page 37 1 would be charged against the claim to the insured for
- a collision claim.
- 3 Q. And that's expressed as a dollar amount?
- A. Correct.
- Q. And the reason that entry is expressed as a
- deductible rather than showing the limit of liability
- 7 for collision damage is the same reason you explained
- with respect to comprehensive coverage, right?
- 9 A. Yes.
- 10 O. It is an unknowable factor at the time the
- 11 policy is purchased?
- 12 A. Correct.
- 13 Q. The number 10,000 appears in that middle column
- entry on this last page of Deaton Exhibit 2 for
- property damage coverage. 15
- 16 Do you see that?
- 17 A. Yes.
- 18 Q. And is that insurance coverage that insures
- 19 against property damage claims brought by other
- drivers for damage done to their property?
- 21 A. Correct.
- Q. And the 10,000 indicates, the 10,000 figure in 22
- that middle column of the last page of Deaton Exhibit
- 2 for property damage indicates the dollar amount of

- the limit of liability for property damage coverage?
- 2 A. That's correct.
- 3 Q. And that's expressed as a dollar amount because
- it is a dollar amount known at the time the policy is
- 5 purchased?
- 6 A. That's correct.
- 7 Q. When the policy is purchased it's readily
- 8 ascertainable what the limit of liability is for
- property damage coverage or bodily injury coverage, 9
- right? 10
- A. Correct. 11
- 12 Q. And for the bodily injury entry we see 15/30 in
- 13 the middle column.
- 14 Do you see that?
- 15 A. Yes.
- 16 Q. What does that mean?
- A. That signifies \$15,000 per person and a \$30,000 17
- 18 per accident limitation.
- 19 Q. So that's the limit of liability for bodily
- 20 injury coverage?
- 21 A. Correct.
- 22 Q. And that's the insurance made available for
- 23 claims by other persons than the insured against the
- insured for bodily injury suffered in a covered event?

Page 40

- A. Correct.
- 2 Q. I have no idea what that means and I guess that
- means coverage not wanted, but maybe you could tell
- 4
  - A. That's exactly correct.
- Is it the case that wherever I see CNW in the
- documents that Deaton produced it means coverage not
- 8 wanted?
- 9 A. Yes.
- 10 Q. And I'll represent to you that I have seen that
  - entry in documents produced by other insurance agents
- 12 that have been subpoenaed in the case.
- 13 Do you understand what I have told you?
- 14 A. Sure. Yes.
  - Q. Do you understand that to be a standard
- 16 abbreviation used in documents of this type --
  - A. Yes.
- 18 Q. -- by insurance agents?
- 19 A. Yes.
  - Q. I'm sorry. Your answer is?
- 21 A. Yes.
- 22 Q. Thank you.
- 23 Let me take you to the entry for PIP in
  - the left-hand column. Do you see that?

Page 39

- 1 A. Correct.
- 2 Q. The next entry on the left reads UMBI. Do you
- 3 see that?
- 4 A. Yes, I do.
- 5 O. What does that stand for?
- 6 A. It stands for uninsured motorist bodlly injury
- 7 coverage.
- 8 Q. I'm sorry. I skipped. There's an entry above
- 9 that column that says DB.
- 10 Do you see that?
- 11 A. Yes.
- 12 Q. What does that stand for?
- 13 A. That stands for death benefit.
- 14 Q. What is the death benefit coverage? Could you
- 15 explain that quickly?
- 16 A. Nationwide's product provides a death benefit
- 17 to the named insured, the driver and passengers if
- 18 they are killed in a covered accident if they are
- wearing their seat belt. There is a small death 19
- 20 benefit payable.
- 21 Q. Then in the middle entry where otherwise
- 22 there're expressed limits of liability or deductibles
- 23 you see the entry in letters CNW.
- 24 Do you see that?

- A. Yes.
- Q. And in the middle column it says full.
- 3 Do you see that?
- 4 A. Yes.
- 5 Q. And that's a characterization that we see in --
- I'll represent to you that that characterization of
- 7 PIP as full is one that can be found in every set of
- 8 documents that the Deaton Agency produced.
- 9
- Do you understand what I am representing
- 10 to you?
- 11 A. Yes.
- 12 Q. Does that surprise you?
- 13 A. No.
- 14 Q. Is it fair to say that the characterization of
- 15 PIP as full in documents like the auto rate quote
- 16 shown on the last page of Deaton 2 is a routine one in
- 17 your business?
- 18 A. Yes.
- 19 Q. What I could do is show you some additional
- examples of that characterization as it appears in
- 21 other sets of documents that Deaton produced simply so
- you could confirm that full is in there. We can go
- through that exercise. I'm happy to do that. Or you
- could simply tell me that you expect to find it in all

of them, if that's the case.

- 2 A. Yes. I would expect to see that usage of the
- 3 word "full" in the various documents that you have
- 4 obtained.

1

17

- 5 Q. And you would expect to see it in connection
- 6 with PIP?
- 7 A. Correct.
- 8 MR. SPADARO: Just give me a couple of
- 9 minutes to think if I have anything else and I may
- 10 have nothing else.
- MR. LEONI: While we're on break, you're
- 12 not allowed to talk to me, him, anybody else about
- 13 your testimony, what questions you were asked, what
- 14 questions you may be asked. You can talk to him about
- 15 anything else, hunting or whatever.
- 16 Do you understand that?
  - THE WITNESS: Yes.
- 18 MR. LEONI: Okay.
- 19 (A brief recess was taken.)
- 20 MR. SPADARO: Mr. Deaton, let me show you
- 21 what I am going to ask the court reporter to mark as

- 24 marked for identification.)

1 A. Yes.

- 2 Q. Is this that type of document that you
- 3 described in that explanation?
  - A. Yes.
    - MR. SPADARO: That's all I have,
- 6 Mr. Deaton. I appreciate your patience and coming up
- 7 here today.
- 8 MR. CHEYNEY: I have some questions.
  - MR. LEONI: Mr. Cheney is going to ask you
- 10 some questions.
- 11 BY MR. CHEYNEY:
- 12 Q. Mr. Deaton, the packet 63 that was shown to
- 13 you, there is no binder attached, is there?
- 14 A. There is not.
  - Q. Do you keep a copy of the binder?
- 16 A. As a rule, generally no.
- 17 Q. Do you give a binder copy to the policyholder
- 18 or the new policyholder?
- 19 A. Yes.
  - Q. What does the binder indicate? Do you have a
- 21 copy of that that you could make available?
- 22 A. I could make it available. It is very similar
- 23 in its format and content to the memorandum of
- 24 insurance.

Page 43

- 1 BY MR. SPADARO:
- 2 Q. Mr. Deaton, take your time reviewing that
- 3 document, but I don't think I have too much to ask you
- 4 about it. I will represent to you that the document
- 5 marked as D-3 entitled Auto Memorandum Of Insurance is
- 6 just that, an auto memorandum of insurance that was
- 7 shared with us by the plaintiffs in this case, Mr. and
- 8 Mrs. Earnes.

9 Do you understand what I have represented?

- 10 A. Yes.
- 11 Q. You can I think readily determine that this is
- 12 not a document related to an auto policy that was sold
- 13 through your office.
- 14 A. Correct.
- 15 Q. But instead it appears to relate to a policy
- 16 sold through another Delaware insurance agent?
- 17 A. Correct,
- 18 Q. I simply want to ask you whether -- let me go
- 19 back.
- 20 You referred during your helpful
- 21 description of the step-by-step process by which the
- 22 auto policy is sold to a document type called the auto
- 23 memorandum of insurance.
- 24 Do you remember that?

Page 45

Page 44

- I could elaborate briefly that the auto
- memorandum of insurance is generally once the policy
- 3 is issued by the company and physically processed, the
- 4 auto memorandum would be issued because it has a
- policy number on it.
- The binder contains pretty much the same
- 7 information with a caveat that says this is a binder
- 8 subject to the issuance of the policy. It gives a 30-
- 9 day time limit.
- 10 Q. That's exactly my question. The binder is not
- 11 the policy?
- 12 A. Correct.
- 13 Q. Now, the automobile insurance application that
- 14 you have as Exhibit 63, this is signed by the
- 15 applicant. Is that correct?
- 16 A. Correct.
- 17 Q. Is the information on it signed by the
- 18 applicant when they sign it?
- 19 A. Yes
- 20 Q. Do you explain to the applicant what the PIP,
- 21 personal injury protection, full and \$71.90 means?
- 22 A, Yes.
- 23 Q. And what does full mean when it appears there
- 24 that's explained to the applicant?

- A. It means that that coverage is without a
- 2 deductible meeting the statutory requirement, the full
- 3 limit of the statute, which is 15/30.
- Q. Now, does that 71.90 that appears in that 4
- column adjacent to full, to the right of full reflect 5
- that premium for that policy coverage? 6
- 7 A. Yes.
- 8 Q. And if it were anything greater like the
- 9 additional policy coverage you spoke of, the APIP or
- the 100/300,000, would that be a different premium? 10
- 11 A. Yes, it would.
- Q. And that appears in the additional personal 12
- 13 injury protection, coverage not wanted?
- 14 A. Correct.
- 15 Q. Is there a discussion between you or your
- 16 agency and the insured as to the options of the APIP,
- additional personal injury protection, or the minimum 17
- 18 policy limits?
- A. Yes. 19
- 20 Q. Is this application always given, always given,
- routinely given to the insured at the time they come
- 22 in?
- 23 MR. SPADARO: Objection to the form.
- 24 You can answer.

#### Page 48

Page 49

- 1 first three words, "Read your policy."
  - Do you see that?
  - A. Yes.
- 4 Q. Is that something that's always told to an
- applicant, when the policy comes to read the policy
- and if there's any questions to call you?
  - A. Yes.
- 8 Q. The application is not the policy, is it?
- 9 A. Correct.
- 10 Q. In the closing statement on page 4 there's a
- paragraph four from the bottom. That first sentence 11
- of that paragraph, could you read that?
- 13 A. Beginning with "I hereby"?
- 14 Q. Yes.
- 15 A. "I hereby acknowledge that all coverages,
- required and optional, available to me have been fully 16
- 17 explained."
- Q. In connection with that statement is it fair to 18
- 19 say from your agency and your personal viewpoint that
- 20 you explain to the insured at the time of the
- application what the limits are that they are
- purchasing, what the deductibles available are and
- what the available additional APIP coverage for PIP
- 24 might be?

#### Page 47

- 1 MR, CHEYNEY: I think those words were
- your words, "routine" and "common." I'm just trying
- 3 to get back to what your question was and repeat those
- 4 words.
- 5 So let me do it again.
- BY MR. CHEYNEY: 6
- 7 Q. Is this application routinely and commonly
- 8 given to the insured at the time he signs the
- 9 application?
- 10 A. It is offered consistently to the insured if
- 11 they would like to have a copy of it.

to the no-fault coverage package number 3? 2

3 MR. SPADARO: Objection.

MR, LEONI: Objection, Because I don't 4 5

understand. You said, "Do you see anywhere on this

policy." What policy?

MR, CHEYNEY: I beg your pardon. The

Delaware Motorists' Protection Act form. We're on 8

9 page 6.

11

MR, LEONI: Of exhibit Deaton Exhibit 2. 10

MR, CHEYNEY: Withdraw the question.

12 BY MR. CHEYNEY:

Q. Looking at this form where it says the 13

coverages under A, paragraph 3, do you see that? 14

15 A. Yes.

Q. And do you see under B, "Options. You must 16

17 select limits and coverage desired"? Do you see that

paragraph? 18

A. Yes. 19

20 Q. Do you see paragraph or subparagraph 3 in that

21

A. Yes. 22

23 Q. What does that say?

A. "Full Coverage with no Deductible." 24

Q. It's a rate quote sheet, correct?

2 A. Correct.

Q. It is not the policy, is it?

A. No.

MR. LEONI: Let me just make sure the

6 record is clear that this is Deaton Exhibit 2 we're

7 talking about which has on the first page a marking

Я number 63.

MR. CHEYNEY: Correct. It's the last page

10 of that.

BY MR. CHEYNEY: 11

Q. In connection with dealing with applicants for 12

13 insurance, is there a script given to you by

Nationwide as to what to say when talking about PIP 14

protection? 15

A. No. 16

17 Q. Is it fair to say that when dealing with

applicants everyone is different and unique? 18

19 A. Yes.

20 Q. Although the areas are covered, there's no

21 script or set formula of language used?

22 A. That's correct.

MR, CHEYNEY: That's all I have. Thank

24 you.

O. Is it from that choice where the selection is 1

made in column C that information is put into the 2

computer as to what the PIP coverage is for the 15/30?

O. At the bottom of that page 6 can you read that 5

information that's contained in the box?

A. "It is not the intent of this statement to

limit or discourage the purchase of increased limits

of liability and personal injury protection coverages,

or other additional coverages which may be available 10

from the company." 11

12 Q. Is it your custom and routine and practice in

13 your agency to always offer the APIP coverage?

14

15 Q. The screen saver, page 7 of this of Exhibit 63,

is this something that is routinely and commonly given

to the insured or is this a screen saver that you use 17

18 for making a rate quote?

MR. SPADARO: Objection to the form. 19

20 Q. It's okay.

21 A. This is a document that is generally used for

explanation and comparison of options, but it is

generally not given to the applicant unless requested.

It's more of a worksheet, if you will.

Q. I just have a couple of follow-up questions, 2

3 Mr. Deaton, not much.

4 If you would, keep before you Deaton

Exhibit 2. If you would turn to the page that bears

6 the heading Closing Statement, if you could find that.

A. Okay.

Q. If you would direct your attention to the

paragraph that begins a little bit, begins about the

middle of the page and begins with the words "I hereby 10

acknowledge that all coverages." 11

Do you see that?

13 A. Yes.

Q. That sentence says, "I hereby acknowledge that 14

15 all coverages, required and optional, available to me

16 have been fully explained."

Do you see that?

18 A. Yes.

Q. And Mr. Cheney asked you about that sentence. 19

Do you recall that? 20

21 A. Yes.

22 Q. Does the reference to coverages being fully

23 explained have meaning to you?

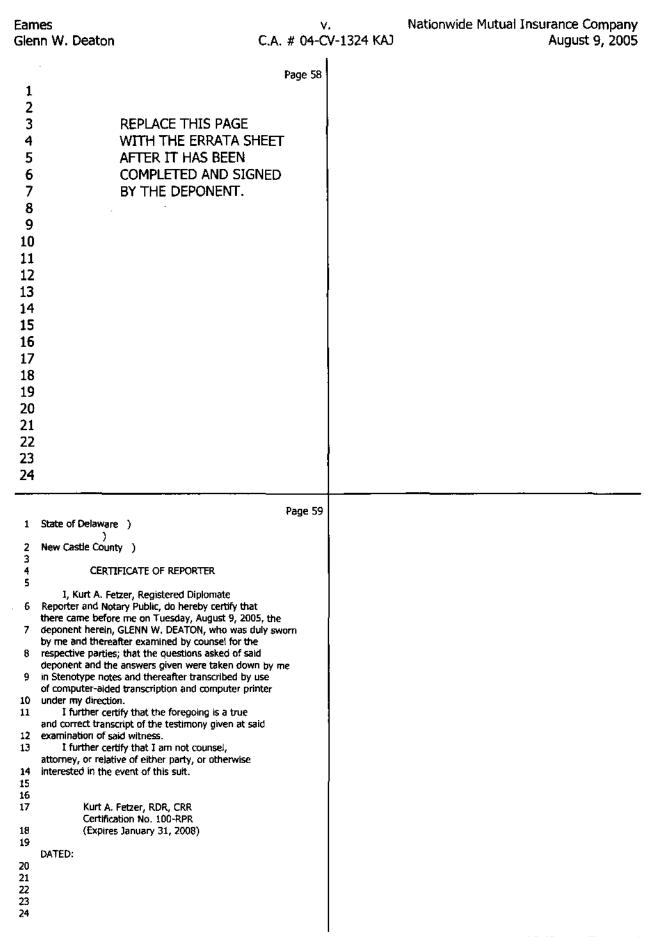

24 A. Yes.
